

SC African American Calendar Music Activities 2014

Grades 6-12

Establishment of Mitchelville (1863): April

Students will create (within cooperative groups) songs and games that the children of Mitchelville could learn. Students will keep in mind the year these children are going to school and their living conditions.

Students (cooperatively) will compose a school song for Mitchelville Elementary School. Students will use but are not limited to percussion instruments, recorders, Orff instruments and keyboards. Students will compose a vocal line with lyrics.
